Course Description

Welcome to "Advanced Hedgehog Husbandry," a charming and slightly eccentric course designed for adults with an affection for these delightful creatures. Nestled in the picturesque countryside of Norfolk, join renowned hedgehog whisperer Mr. Pricklesworth as he imparts his decades of experience in the fine art of caring for these spiky wonders. Throughout this immersive day-long class, participants will learn essential skills, starting with the basics of hedgehog nutrition and how to prepare a balanced diet of worms and berries. You'll be introduced to the enchanting world of hedgehog habitats, where you'll craft the perfect cozy environment to encourage their natural behaviors. Handling hedgehogs is an art, and Mr. Pricklesworth will guide you through the gentle techniques needed for health checks and fostering trust with these timid creatures. As you settle into the rhythm of hedgehog care, you'll find opportunities to practice mindfulness, observing their quirky antics as a meditative practice. Finally, delve into the rich folklore surrounding hedgehogs in Britain, learning tales that have been passed down through generations. By the end of the class, you'll leave with a newfound respect and affection for these nocturnal companions, along with practical skills to care for them in your own garden or hedgehog sanctuary.
