Course Description

Welcome to 'Jolly Juggling with Jebediah Jellybean', a whimsical class designed to bring joy and giggles into your life while mastering the ancient art of juggling. Under the expert guidance of Jebediah Jellybean, a renowned juggling enthusiast with a penchant for eccentricity, you'll embark on a playful journey to learn the fundamentals of juggling. Students will begin with three-ball juggling, delving into the science of juggling patterns and the physics that make juggling not just an art, but a fascinating study of momentum and balance. As your skills develop, you'll explore creative ways to juggle everyday objects, such as fruit, socks, or even your car keys (only for the brave!). Jebediah will also impart his unique techniques for enhancing concentration and focus, teaching you how to juggle not just objects, but your thoughts and energy in a busy world. The class includes a set of professional juggling balls, a colorful guidebook filled with tips, juggling scarves for advanced practice, and a special 'juggle bag' to take home. With laughter guaranteed and skills to be gained, this class offers a delightful escape from the mundane, ensuring you leave with a smile and an impressive new party trick!
