## Course Description

Unleash your inner artist with 'Expressive Umbrella Painting for the Eccentric Soul,' a one-of-a-kind creative arts class that will have you singing in the rain with your own handmade work of art. Under the whimsical guidance of Drizzle McCanvas, participants will embark on a vibrant journey of color and imagination, transforming a plain white umbrella into a dazzling personal statement. This delightful class begins with an introduction to the fascinating history of umbrellas in art and fashion, providing inspiration and context for your creations. Students will then delve into mood-based color selection, learning how to evoke emotions through their choice of shades and hues. Next, you'll explore various brush techniques, applying whimsical patterns, textures, and even storytelling elements to the curved canvas of your umbrella. As you paint, Drizzle will offer tips on creating cohesive designs that not only tell a story but also stand up to the elements, turning your umbrella into a practical masterpiece that shields you from rain while showcasing your unique personality. By the end of the session, you'll leave with both a newfound appreciation for artistic expression and a functional piece of weatherproof art, ready to brighten up any dreary day. Come join us in Northumberland for a splash of creativity and fun, and let your imagination soar above the clouds!
