Tree climbing

Weather observation

Nature mindfulness

Cloud identification

Outdoor adventure

Course Description

Embark on a whimsical yet educational adventure with our 'Cheery Cloud Climbing for Beginners' class! Under the guidance of Mistress Nimbus, a seasoned cloud enthusiast, you'll explore the art of climbing trees to get closer to Northumberland's serene skies. Equipped with a safety harness and climbing helmet, students will enjoy safe and exhilarating climbs up specially chosen trees, known for their proximity to delightful cloud formations. The class begins with a playful introduction to cloud types, utilizing an easy-to-read identification chart. Mistress Nimbus will teach you how to sense the mood of each cloud and guide you through basic weather observation techniques. As you ascend, you'll learn mindfulness tactics to engage deeply with the natural environment, creating moments of joy and tranquility. Students will receive an eco-friendly chalk to mark their favorite clouds, ensuring they leave nothing but happiness behind. As a part of the adventure, each participant will maintain a weather observation journal to document their experiences and insights. By the end of the day, participants will have developed tree climbing skills, an appreciation for the whimsical beauty of clouds, and a renewed sense of joy that only nature can bring. Join us and add a dash of whimsy to your outdoor skills repertoire!
