Creative Storytelling

Color Theory

Mindfulness

Pattern Design

Course Description

Join Miss Tapestry Twiddle in Stratford-upon-Avon for a delightful venture into the world of Fantastical Fairy Tale Weaving. In this enchanting class, adults will learn how to weave their very own fairy tale narratives into vibrant tapestries using portable table looms. Participants will start with mastering basic loom weaving techniques, ensuring everyone feels comfortable with the equipment before diving into more intricate designs. Miss Twiddle, an expert in weaving whimsical tales into textiles, will guide students in using assorted colorful yarns to create narrative patterns. Each piece woven will tell its own story, inspired by fairy tale themes. Students will explore playful color theory to bring their stories to life through hues that evoke emotions and magical moments. Beyond technical skills, this class emphasizes creativity and mindfulness. Story prompt cards will facilitate imaginative thinking as participants create their own tales through fiber art. As the rhythmic process of weaving unfolds, students will find themselves immersed in a meditative state, nurturing both their craft and spirit. By the end of the class, each participant will have a completed tapestry that encapsulates their personal fairy tale, a unique blend of art and storytelling that they can proudly display in their home. This class is perfect for those seeking a creative escape and eager to learn a unique skill that nourishes both mind and soul.
