Psychology

Artistic Expression

Mindfulness

## Course Description

Join us for a creative escapade where the pebbles of Brighton Beach become your canvas! In this whimsical yet wonderfully practical class, led by the esteemed Professor Pebbles, you'll dive into the enchanting world of pebble painting combined with a unique twist—personality analysis of your painted pebbles! Begin your adventure by learning how to select pebbles that speak to you from the sandy shores of Brighton. You'll discover the joy of transforming these humble stones into exquisite works of art using a variety of painting techniques, from delicate brush strokes to vibrant splashes of color. As you paint, Professor Pebbles will guide you through the basics of color theory, helping you understand how to create harmonious and eye-catching designs. But the fun doesn't stop there! As your painted pebbles come to life, you'll delve into a playful exploration of pebble personality analysis. Using a specially crafted worksheet, you'll learn how to interpret the unique 'personalities' of your creations based on their colors, patterns, and shapes. This part of the class offers a delightful way to reflect on artistic choices and engage in mindfulness. By the end of the session, you'll have a beautiful, personalized pebble to take home, imbued with your creativity and insights. Perfect for those seeking a blend of artistic expression and light-hearted psychology!
