Course Description

Welcome to the delightful world of "Cheese Rolling & Cheese Crafting," a class where adults can indulge their playful spirits while learning practical and whimsical skills. Under the expert guidance of Cheddar Chalmer, students will first explore the storied tradition of cheese rolling, a sport beloved in various parts of the UK. Participants will learn how to roll cheese with precision, gaining understanding of the techniques that make for a successful roll. Following the cheese rolling introduction, students will delve into the art of cheese crafting. This engaging segment will involve creating delightful cheese accessories—such as hats, belts, and necklaces—which will be worn during an informal cheese rolling race. The class will not only provide insight into the aging process and flavor profiles of assorted cheeses but will also foster teamwork and creativity through group crafting challenges. Participants will leave with a deeper appreciation for this quirky tradition, their own handcrafted cheese accessories, and newfound cheese rolling skills. If you're looking to sprinkle some joy and whimsy into your life while gaining unique traditional skills, this class is the perfect pick. Join us in Suffolk for a session of laughter, learning, and delightful cheese adventures.
