Color Theory

Craftsmanship

Course Description

Journey into the delightful world of tapestry weaving with "The Enchanted Tapestry of Time," taught by the illustrious Professor Weavewell. In the charming setting of Harrogate, you'll embark on a fiber arts adventure where threads become tales spun through time. The class begins with an introduction to tapestry weaving techniques, allowing you to master basics such as warping the loom and selecting appropriate weft yarns. As you progress, you'll delve into color theory, learning how different hues can evoke emotions and stories within your work. Professor Weavewell will guide you in integrating whimsical themes—from mythical creatures to enchanted landscapes—into your designs, encouraging a playful approach to fiber arts. The class will foster patience and precision, as you'll discover the meditative nature of weaving. By the end of the session, each student will have crafted a unique tapestry piece, imbued with their personal touch and magical imagination. Throughout the class, students will enjoy delightful tea and biscuits, providing sustenance and camaraderie. With all materials provided, including a personal tapestry loom and magical colored yarns, you'll leave not only with newfound skills but also a tangible reminder of your enchanted experience. Embrace the whimsy, connect with your creative self, and weave a tapestry that tells your own time-traveling tale.
