Skills Developed

Yarn spinning

Storytelling

Color theory

Fiber blending

Texturing techniques

Course Description

Join Professor Twiddlethimble in Chester for an unforgettable journey into the whimsical world of Fantastical Yarnspinning! This enchanting class combines the tactile art of spinning with the imaginative art of storytelling. Students will learn to spin their own yarn using raw wool provided in an array of vibrant colors. Professor Twiddlethimble will guide the class through the essential techniques of fiber blending and color theory to create unique yarns that tell their own stories. But that's not all! As they spin, students will weave tales inspired by the textures and hues of their crafted fibers. Story-starter prompts will help ignite creativity, encouraging participants to explore their inner bard. As yarns take shape, so will narratives, culminating in a mini storytelling session where students share their creations. Throughout the day, participants will delve into the fascinating history of storytelling in fiber arts, discovering how tales and textiles have intertwined through ages. By the end of the session, each student will have mastered both the art of yarn spinning and the craft of storytelling, leaving with a skein of hand-spun yarn and a unique story that is truly their own. Fantastical Yarnspinning is perfect for those seeking to enrich their creative lives with a touch of whimsy and a dash of skill.
