Course Description

Join Ms. Augusta Woollymane in this delightful journey into the whimsical world of yarn and mythical creatures. Set in the serene and historic city of Durham, our Enchanted Yarn Spinning and Unicorn Mane Crafting class is a playful yet educational escape from the mundane. Students will begin with the basics of yarn spinning, learning to use traditional spinning wheels to transform raw fibers into beautiful, colorful threads. As the class progresses, students will dive into the fantastical realm of unicorn mane crafting. We will explore the art of braiding these ethereal fibers, rumored to possess extraordinary strength and beauty. Each participant will receive a selection of materials, including a special 'unicorn hair blend', inviting creativity and personal expression. Additionally, students will hand-weave a small tapestry, weaving stories and magic into their fiber creations. Throughout the class, Ms. Woollymane will share captivating tales of fiber arts history and unicorn myths, enriching the experience with folklore and fun. Engage in a unique hands-on learning adventure that combines practical skills with enchanting stories—perfect for anyone seeking a touch of magic in their day-to-day life. This class offers not only an exploration of fiber arts but also an invitation to weave a little joy into your soul.
