Course Description

Join us at the School of Dandori for the 'Enchanted Spoon Carving for the Bewitched Chef' class, where we'll transport you to a realm where craftsmanship and magic intertwine! Under the expert guidance of Master Carver Whittler, students will embark on a whimsical journey to create their very own enchanted cooking spoons. In this class, you will begin by learning how to select the perfect piece of wood, understanding its grain and character. With our selection of traditional carving tools, you will be introduced to the basic techniques necessary for shaping and detailing your spoon. But the magic truly begins when you infuse your creation with your own enchanting designs! Master Carver Whittler will share his secrets for transforming ordinary spoons into extraordinary kitchen companions, as you carve intricate patterns and motifs that seem to dance on the wood's surface. Through this hands-on experience, you'll develop a keen eye for detail and gain confidence in wielding carving tools. By the end of the session, not only will you have your very own personalized enchanted spoon, but you'll also have acquired a skill set that combines traditional craftsmanship with a touch of whimsy. Perfect for those looking to add a sprinkle of magic to their culinary adventures, this class promises to be both educational and enchantingly fun!
