creativity

therapeutic crafting

## Course Description

---

Step into a world where fibers twist and turn into fantastical forms with our "Magical Macramé Mixtures" class in Brighton. Led by the playful Professor Knott McCord, this enchanting journey invites adults to explore the whimsical side of fiber arts. Students will first learn to master fundamental knots, such as the square knot and hitch knot, setting the foundation for their macramé creation. Once equipped with knotting skills, participants will dive into crafting a mystifying wall hanging, inspired by the fantastical creatures of their imaginations. Along the way, you'll explore the world of color theory, selecting vibrant yarns to bring your enchanting designs to life. Professor McCord will guide students in incorporating found objects like shells, feathers, and trinkets into their pieces, adding a personal touch. Beyond the technical skills, this class emphasizes the therapeutic benefits of working with fibers. With each knot tied and each color chosen, students will find themselves relaxing and enjoying the soothing rhythm of creation. By the end of this session, not only will you have a unique macramé piece to adorn your walls, but you'll also gain a deeper appreciation for the art of weaving joy into everyday life. Join us on this magical journey and let your creativity soar!
