Course Description

Join Professor Woolly Wickers in the enchanting Scottish Highlands for a class that combines art, imagination, and fiber arts into one delightful package. 'Magical Felted Creature Companions' invites adults to explore the whimsical world of felt crafting, where ordinary wool becomes extraordinary companions. Begin your journey by learning the essentials of wet and needle felting techniques, and discover how vibrant wool roving transforms into enchanting shapes and textures. Under the playful guidance of Professor Wickers, you'll craft your own felted creatures, each imbued with their own personalities and quirks. Whether it's a mischievous dragon with a penchant for tea parties or a wise owl ready to impart its wisdom, you'll learn to bring your whimsical designs to life. Students will also gain valuable insights into sustainable fiber arts, using natural materials to create eco-friendly art. To complete your creatures, you'll add accessories like googly eyes, tiny hats, and miniature scarves, ensuring each companion is unique. This class promises not only practical skills in fiber arts but also an invigorating boost to your creativity, offering a joyful escape from the mundane world of work. By the end, you will have crafted a delightful companion to bring a touch of magic to your everyday life.
