Course Description

Embark on a fantastical journey through yarn and imagination in our 'Cuddly Creature Knitting & Magical Yarn Tales' class. Under the expert guidance of Lola Loom, a renowned fiber artist with a penchant for spinning enchanting stories, students will discover the joy and skill of knitting while creating their very own cuddly creatures. Set in the picturesque Cotswolds, this class blends the serenity of the countryside with the vibrant colors of enchanted yarns. Participants will learn the foundations of knitting, from casting on to complex stitches, all the while weaving stories as rich and varied as the fibers they use. Each session begins with a tale from Lola, transporting students to a world where mermaids knit underwater and dragons prefer alpaca wool. Students will not only craft unique knitted creatures but also infuse them with personal stories and magical charms. In addition to honing technical skills, students will explore design elements, such as color theory and texture combinations, allowing them to customize their creations. The class also covers practical skills, like correcting mistakes with a touch of whimsy, ensuring that each piece is knit to perfection. By the end of this delightful course, students will walk away with a new cuddly friend and the ability to knit their own happiness, one stitch at a time.
