Course Description

Step into the delightful realm of fiber arts with 'Enchanted Yarn Spinning' led by the whimsical Sir Woolly Whirlwind. Set in the charming town of Harrogate, this class turns the age-old craft of spinning into an enchanting journey through textures, colors, and stories. Students will begin by acquainting themselves with the mystical spinning wheel, learning how to transform raw wool into beautiful, bespoke yarn. Sir Woolly will guide you through the magical art of plying, teaching you to entwine strands with a sprinkle of glitter and a touch of dyed feathers, creating yarns that tell their own story. While your hands work, Sir Woolly will regale you with tales of spinning's role in British folklore, from the spinning contests of old to the enchanted threads of fairy tales. You'll learn not just to spin yarn, but to weave a narrative into each skein. The class provides all necessary materials, including a handcrafted wooden spindle and a selection of raw, locally sourced wool. By the end of this delightful session, you'll have created your very own magical yarn, ready to be transformed into a cherished piece of fiber art. Join us for an afternoon of laughter, learning, and a little bit of magic, and leave with both a new skill and a newfound sense of joy.
