Course Description

Join us in the heart of Norfolk's enchanting woods for a whimsical day of leafcraft and woodland sculpture! Under the playful guidance of Fern Twiggewood, an expert in arboreal artistry, students will explore the magical world of leaves and twigs. The class begins with a delightful stroll, where we'll identify various types of leaves native to Norfolk. Learn the art of preserving foliage using time-honored natural methods, ensuring your leaves remain vibrant and sturdy for crafting. Next, delve into the creative process as you construct enchanting sculptures from your freshly preserved leaves, twigs, and other natural treasures. Fern will guide you through the basics of woodland design and landscaping, teaching techniques to balance natural elements and create eye-catching arrangements. As you craft, Fern will share fascinating tales and folklore about the trees surrounding us, offering insights into their historical uses and cultural significance. By the end of the day, each participant will leave with their own whimsical woodland sculpture and a newfound appreciation for the art hidden in everyday nature. Ideal for adults seeking a playful escape and a unique way to connect with nature, this class promises to nourish your soul and unleash your inner artist!
