Course Description

Dive into the magical world of garden gnomes with Petunia Pebbles as your guide. This enchanting workshop invites adults to channel their inner sculptor and create bespoke garden gnomes that bring whimsy and joy to any outdoor space. Over the course of an afternoon, you will learn the art of sculpting with air-dry clay, discovering techniques to shape charming gnome figures. Petunia will teach you how to infuse personality into your creations with expressive features and quirky postures, ensuring each gnome is as unique as its creator. In addition to sculpting, you will explore the historical role of gnomes in garden aesthetics, gaining insight into their mythical origins and cultural significance. Once your gnome is molded, you will master the art of painting and detailing, selecting vibrant colors and applying delicate brushwork to bring your character to life. Whether you're a seasoned artist or new to crafting, this class promises to enhance your creativity and provide skills in both sculpting and painting. By the end of the session, you will leave with a delightful gnome ready to occupy a corner of your garden, spreading happiness and a touch of enchantment. Each participant will receive a garden design inspiration booklet to help envision their gnome's perfect habitat. Join us for an afternoon of playful design and creativity, and let your imagination blossom!
