## Course Description

Join the School of Dandori in the picturesque Cotswolds for a whimsical yet educational experience in 'Enchanted Pebble Painting for Joyful Souls'. Under the guidance of Pebbles McMirth, a renowned artist known for her joyful approach to nature crafts, you'll embark on a creative journey that transforms ordinary pebbles into miniature masterpieces. In this class, you will master the art of painting intricate designs inspired by the natural beauty surrounding you. Using locally sourced smooth pebbles as your canvas, you'll learn to apply vibrant acrylic paints with precision, creating patterns that reflect the enchanting flora and fauna of the Cotswolds. With the help of nature motif stencils, you'll explore symbolism and stories behind various designs, adding depth to your creations. Beyond the technical skills, this class emphasizes mindfulness and focus, encouraging you to slow down and appreciate the act of creativity as a form of meditation. Through playful expression, you'll cultivate joy and a renewed sense of wonder in your everyday life. By the end of the class, you'll have a collection of beautifully painted pebbles that not only serve as delightful decorations but also as tangible reminders of the joyous experience shared at the School of Dandori.
