Course Description

Welcome to "Masterful Muffin Mosaics," a whimsical yet educational class that will transform your perception of baking! Under the expert guidance of Baker Bea, you will enter a world where muffins are not just delicious treats but also vibrant art pieces. Set in the picturesque town of Inverness, this class invites adults to explore their creative sides by crafting intricate muffin mosaics that delight both the eyes and the taste buds. Throughout the session, you'll learn the art of muffin mosaic design, starting with the basics of color theory. Using naturally dyed muffins, you'll create stunning patterns that reflect your unique style. Baker Bea will guide you in developing fine motor skills, teaching you the delicate craft of placing muffins with precision to bring your design to life. Explore the fascinating world of baked goods architecture as you learn how to build edible masterpieces that maintain both structural integrity and aesthetic appeal. With a playful approach, this class encourages participants to unleash their creativity and embrace the joy of turning simple muffins into extraordinary works of art. By the end of the session, not only will you have crafted a beautiful muffin mosaic, but you'll also have nurtured your soul by engaging in a delightful, creative process. Join us in Inverness for an experience that promises laughter, learning, and the delicious rewards of your artistic endeavors!
