Course Description

Join Gloria Glimmer in this enchanting class where the twilight reveals its secrets through the art of lantern crafting. In 'Twilight Lantern Illuminations', students will embark on a journey into the world of light and shadow, creating their own glowing masterpieces. Set in the picturesque city of Cambridge, this class invites adults to channel their inner artisan and learn the delicate balance between tradition and innovation in lantern design. During this class, students will explore both traditional lantern crafting techniques and modern innovations to design exquisite pieces. They'll delve into the science of light diffusion, ensuring their creations cast the perfect ambiance during twilight gatherings. Inspired by folklore, participants will learn decorative styles that evoke the magical aura of old tales. Practical sessions will cover the use of sustainable materials, promoting eco-friendly crafting. With Gloria's guidance, students will master how to host whimsical twilight gatherings, using their bespoke lanterns to transform ordinary evenings into extraordinary experiences. Whether adorning gardens or gracing indoor spaces, the lanterns crafted will be a testament to their newfound skills and creativity. It's an opportunity to blend artistry with functionality, making every twilight moment magical. Come prepared to laugh, learn, and illuminate your life!
