Pollinator Awareness

## Course Description

Join us in Norfolk for a delightful fusion of nature and dance in the "Whimsical Bee Ballet" class. Led by the enchanting Buzz Beekeeper, this unique experience invites adults to explore the joyous world of bees through the lens of movement and choreography. Participants will start by learning the fascinating behaviours of bees, including their intricate communication dances, which inspire our own bee ballet. Embrace the whimsy as you don specially designed bee-safe veils and gloves, allowing for close observation and interaction with these vital pollinators inside our portable bee observation boxes. Discover how to gently guide and choreograph bees, creating synchronized movements that mimic their natural patterns. Buzz will teach you sustainable beekeeping practices to support healthy hives, emphasizing the importance of bees in our ecosystems. As your appreciation for these buzzing wonders grows, enjoy a honey tasting session where you'll sample local honey varieties, indulging in the sweet results of your newfound knowledge. Enhance your environmental awareness and hone your skills in bee choreography, all while immersed in the serene Norfolk countryside. This whimsical class promises to nourish your soul and ignite your curiosity, leaving you buzzing with joy and newfound outdoor skills.
