## Skills Developed

Woodworking

Musical Instruments

Craftsmanship

Cultural History

Fine Motor Skills

## Course Description

In the enchanting city of Cambridge, join Maestro Woodington for a whimsical journey into the art of spoon whittling, where you'll not only craft beautiful utensils but also transform them into melodious instruments. Our 'Enchanted Spoon Whittling & Musical Utensil Orchestra' class invites adults to escape the humdrum of daily life and embark on a creative adventure that merges craftsmanship with musical exploration. During this two-hour session, students will learn the traditional techniques of spoon whittling, gaining hands-on experience with carving knives and a selection of local and exotic woods. Maestro Woodington, a seasoned craftsman, will guide you through the process of shaping your spoon to perfection, while sharing the fascinating history of musical spoons across various cultures. Once your spoon is carved, discover its musical potential by joining others in forming a unique utensil orchestra. Through experimenting with the acoustics of different woods, you'll create harmonious sounds and learn the basics of spoon percussion. This playful class promises to enhance your skills in woodworking and musical performance, while bringing a delightful sense of accomplishment and joy. Leave with your crafted set of musical utensils, a new appreciation for heritage crafts, and an unforgettable experience that blends tradition with whimsy. Perfect for those seeking a unique skill and a joyful escape from the ordinary!
